Education

YCMOU - BSc
Media Graphics & Animation
Apr2013 - May2016

keerti Institute
Diploma in Animation & VFX
2011 - 2012

Skills

- VFX Layout
- CG Camera Animation
- Shot Composition
- Scene Assembly
- Previsualization (Previs)
- Postvisualization (Postvis)
- Camera Tracking
- Matchmove
- Body Tracking
- Rotomation
- Houdini FX
- Procedural FX
- Fire, Smoke, Dust, Destruction
- Simulations
- Environment Building
- Virtual Production
- Unreal Engine
- Spatial Continuity
- Pipeline Integration
- Cross-Department Collaboration

Certifications

- Introduction to Houdini for FX
- Unreal engine certified professional training 2024
- CEH (Certified Ethical Hacker)

13 Years of VFX Experience

DNEG | Role : FX TD
2025 - **Present**

- Created fire, smoke, destruction, and debris simulations using Houdini.
- Developed procedural FX setups and workflows for efficient shot production.
- Built and refined simulations based on creative and technical requirements.
- Optimized FX setups for stability, iteration, and production efficiency.
- Collaborated with Layout, Lighting, and Compositing teams to deliver production-ready shots.

Pramoters Buddy Studios | Role : FX Artist
2024 - 2025

- Created fire, smoke, and destruction simulations in Houdini.
- Built procedural FX workflows for efficient production.
- Delivered production-ready simulations in collaboration with lighting and comp.

DNEG | Role : VFX Layout Artist
2023 - 2024

- Produced previs/postvis CG cameras and scene assemblies.
- Maintained sequence continuity and spatial consistency.
- Prepared technically accurate layouts for downstream departments.

Method Studios | Role : Matchmove Artist
2021 - 2023

- Executed camera tracking and bodytracking for feature film projects.
- Built accurate scene reconstructions and rotomation in Maya
- Delivered clean tracking data for layout, animation, and lighting teams.

TraceVFX/Technicolor | Role : Matchmove / Bodytrack Artist
2014 - 2021

- Performed camera tracking and bodytracking for complex production shots.
- Created precise rotomation and scene alignment within tracked environments.
- Ensured technically accurate data for downstream departments.

Prime Focus World | Role : VFX Roto Artist
2013 - 2014

- Created detailed roto mattes for feature film and television projects.
- Managed challenging shots requiring precision and frame-level accuracy.
- Delivered production-ready mattes for compositing integration.
